

Elevation Profile - Mexico - Morelia to Cuernavaca

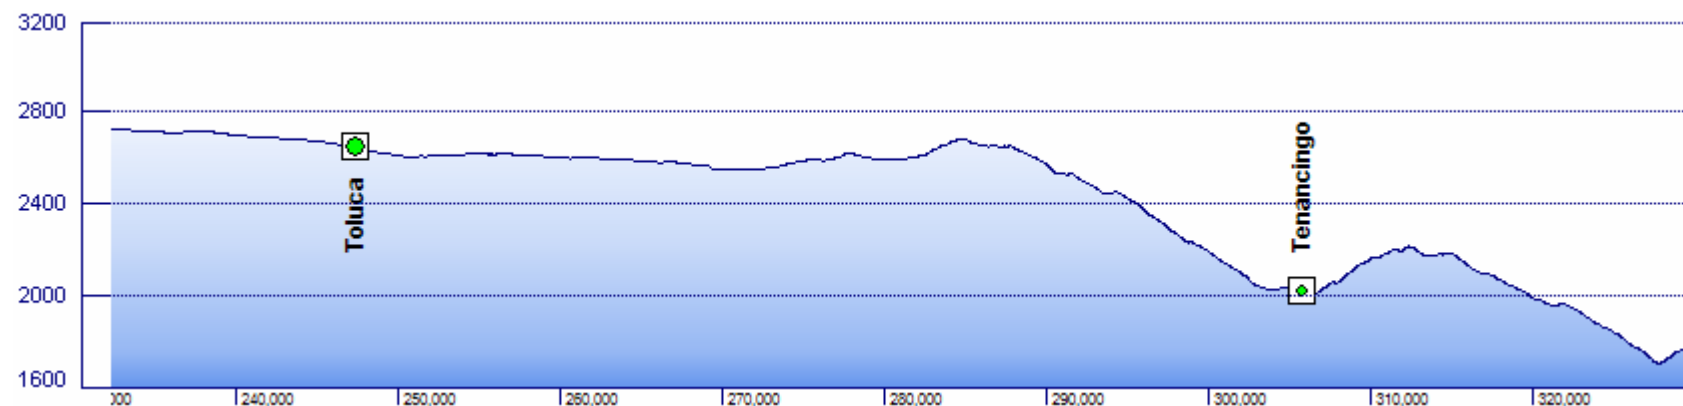

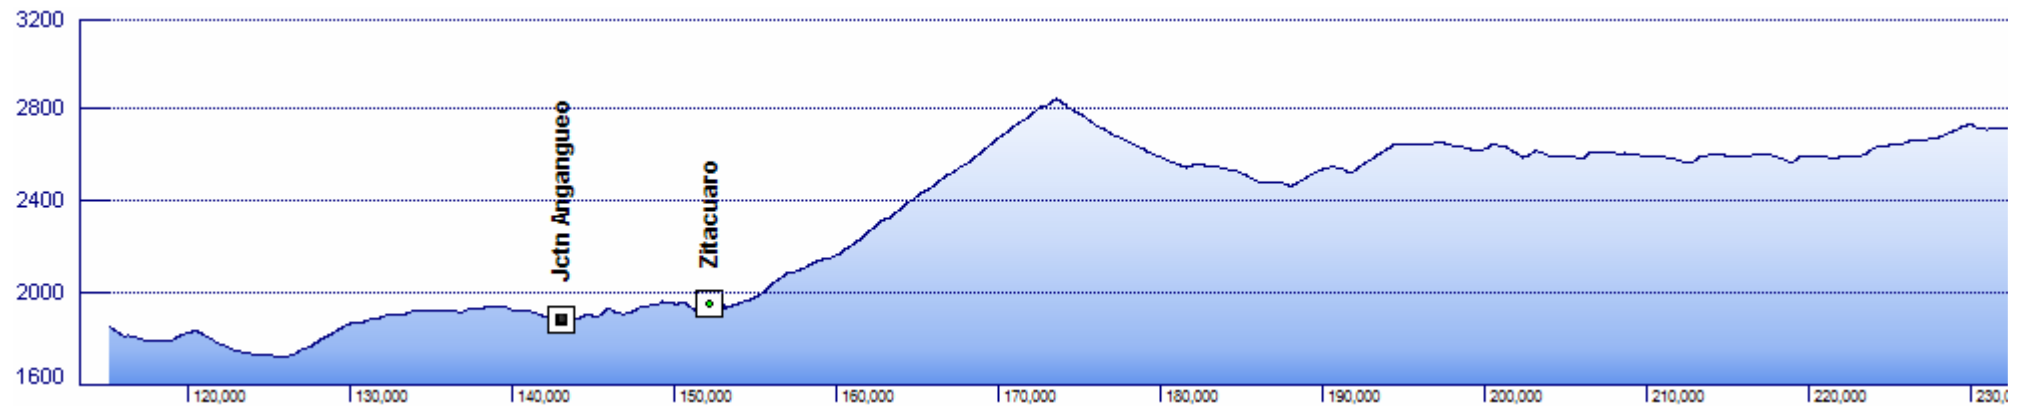

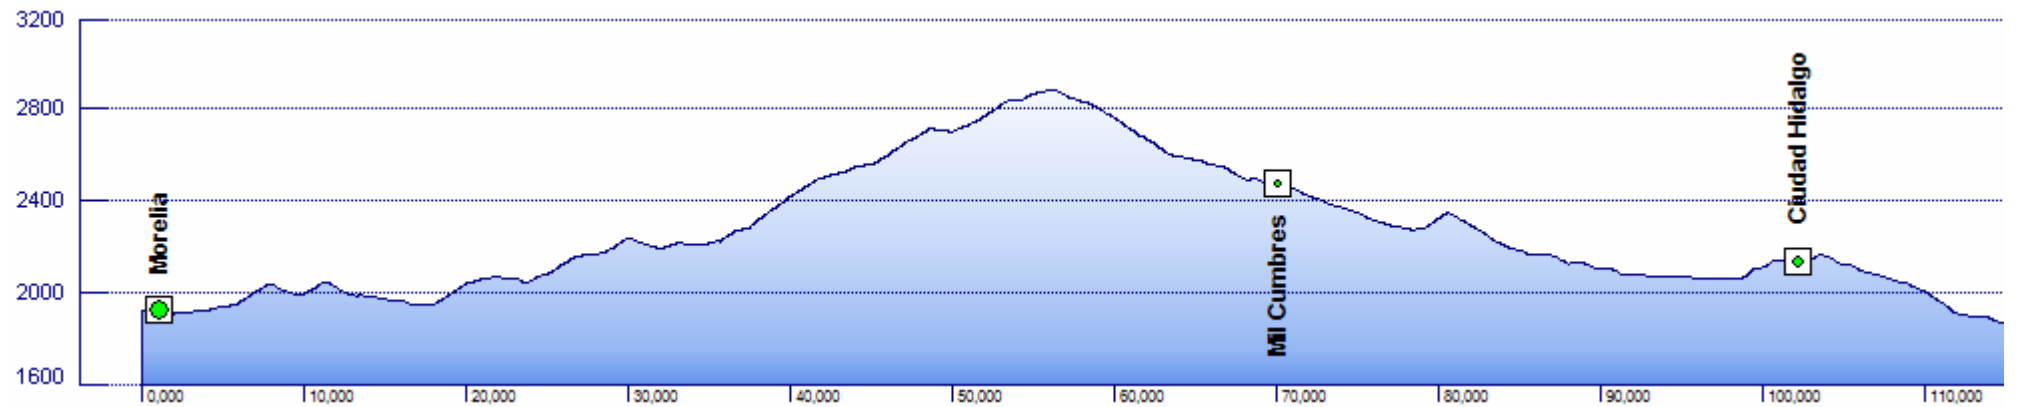

Routes: Morelia to Ciudad Hidalgo: OLD Mex 15 Libre; Ciudad Hidalgo to Toluca: Mex 15; Toluca to Taxco: Mex 55; Taxco to Cuernavaca: new Cuota Mex 95D.

Statistics: Length: 495 km, av. ascent: 1180 m / 100 km

Comments: The old Mex 15 via Mil Cumbres is the oldest road in Mexico. The pavement is not very good anymore but the landscape is breathtaking. No traffic. Between Toluca and Ixtapan they did not let us ride the much shorter Cuota.
